**Appeals committee  
DECISION**

Riga

3<sup>rd</sup> July 2015

No.1

**On tuition fee discounts, scholarships and stipends for the academic year 2015/2016.**

The appeals committee formed by the decree No. 566/1 of the Rector of Turība University as of 1<sup>st</sup> July 2015 has reviewed all appeal applications and has come to the following decision:

1. [...] (contract No.72283) – shall be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
2. [...] (contract No. 76111) – shall be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
3. [...] (contract No.76758) – shall be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
4. [...] (contract No.75127) - shall be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
5. [...] (contract No.71402) – shall not be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 32. stipulates that to be able to apply for scholarships or the School-financed stipend in the next academic year, the average score cannot be lower than 7.5 (seven point five). In turn clause 17.1. stipulates that only marks gained in the concluding exam of A block study courses – “examinations”, and defence of study papers– successfully passed within the deadlines set shall be taken into account for scholarships and stipends and the marks gained in the concluding exam of study courses that are evaluated as “pass or fail” and for the presentation/defence of practice reports shall not be taken into account.).
6. [...] (contract No.70773) - shall not be included in the final list for scholarships and stipends for the academic year 2015/2016. (Turība University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 23.1.punkts stipulates that students going to a foreign higher education institution for one semester (the autumn semester) shall apply for scholarship or stipend rotation through the standard procedure. In turn clause 18.1. stipulates that students can generally improve their marks by retaking tests and examinations as many times as they wish but those students who wish to apply for discounts through the rotation system are allowed

to take the examinations for each study course only twice; moreover one of them has to be an examination that was planned in the examination and the assessment has to be positive).

7. [...] (contract No.67889) - shall be included in the final list for scholarships and stipends for the academic year 2015/2016 (Turiba University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
8. [...] (contract No.75204) - shall be included in the final list for scholarships and stipends for the academic year 2015/2016 (Turiba University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 16., 17., 18.).
9. [...] (contract No.75836) – shall be included in the in the final list for the discount Progress in studies for the 1<sup>st</sup> semester of the academic year 2015/2016. (Turiba University Regulations on Rotation policy for Tuition Fee Discounts for the Academic Year 2014/2015, clause 23.3. stipulates that students going to a foreign higher education institution for a full academic year (autumn and spring semesters) shall apply for the rotation with their marks in the previous academic year. The scholarship or stipend shall be cancelled upon receipt of marks from a foreign higher education institution, if any of the marks are negative.).
