

Nordplus

## Development project of NORDPLUS higher education programme “Development of Society and Organisation Security Programmes 2017”

### FACTS ABOUT THE PROJECT

**Duration:** September 2017 - October 2018

**Partners:** 3 Universities from Latvia, Lithuania and Finland

More than **20 authors** from 3 partner countries

**Main activities:** experience exchange, networking, auditing security related programmes in partner Universities and publishing the book “Organisation and Individual Security”.

### ABOUT..

In September 2017, Turība University in cooperation with Kazimieras Simonavičius University (Lithuania) and Laurea University of Applied Sciences (Finland) started the NORDPLUS Higher education programme project „Development of Society and Organisation Security Programmes 2017”.

Within this project, partners initiated stronger cooperation and exchange among specialists and lecturers of all partner Universities, reviewed teaching methods and shared best practices. Partners developed the Book “Organisation and Individual Security”, which is available in libraries of the partners and e-version on [www.turiba.lv/security](http://www.turiba.lv/security)

### MAIN OUTPUTS:

- Experience exchange and establishing network of Security specialists in 3 partner countries;
- Evaluation of Security programmes of 3 partner universities, preparing summary report;
- Conference „Organisation and Individual Security” in Riga on 19.04.2018.;
- Book „Organisation and Individual Security” – available in libraries of partner Universities and on-line - [www.turiba.lv/security](http://www.turiba.lv/security).
